Could you paste the sections of the draft that introduce or develop the main characters? Once I have that information, I can pull out the stable facts and format them into the short bible you requested.

--- REFINED NOVEL ---

I'm ready to tighten the prose for you, but I'll need the passage you'd like revised. Could you paste the specific section (or sections) you want rewritten? Once I have the text, I'll preserve all character details exactly as they appear in your bible and deliver a polished, full-scene rewrite.
